Tunji Alausa M.D.

Certified Nephrologist

About Provider

Dr. Alausa is board-certified in Nephrology, Internal Medicine and Hypertension. He is the founder of both Kidney Care Center, a nephrology practice and Dialysis Care Center, a rapidly growing provider of boutique dialysis services nationwide. Dr. Alausa is highly committed to advancing the delivery of excellent care to patients living with chronic kidney disease. He has consistently worked with various agencies to try to bring this to fruition.

Dr. Alausa has published multiple peer-reviewed medical journals. His publications have transcended both basic medical research and clinical medicine and have appeared in the New England Journal of Medicine. In 2007 and 2012, Dr. Tunji Alausa was named one of America's Best Physicians.
