## Aditya Bhartia M.D.

Board Certified Nephrologist

## About Provider

Dr. Aditya Bhartia is board-certified in Internal Medicine and Nephrology. He firmly believes in providing exceptional care to his patients specific to their individual situations and needs. He completed his fellowship and residency at the University of Louisville, Kentucky. After his graduation, he started practicing community nephrology in urban and rural settings. Dr. Bhartia believes that delivering effective patient care and improved health outcomes starts with a collaborative approach between all care partners i.e the patient, primary care givers, and healthcare providers.
