## Vikash Sinha M.D.

Board Certified Nephrologist

## About Provider

Vikash Sinha, M.D. is board-certified in Internal Medicine and Nephrology. He believes in presenting information to his patients in the most simplified language to ensure they have a strong understanding of the disease and treatment process. By being clear about their condition and treatment options, the patient and physician can work effectively to achieve the primary goal of healthy living. He prides himself on being a knowledgeable and personable physician, interested in knowing each patient's lifestyle and culture to establish personalized care.
