## Viswanathan Iyer M.D.

Board Certified Nephrologist

### About Provider

Dr. Iyer is board-certified in Nephrology, Hypertension and Critical Care Medicine. He completed his residency program at SUNY Downstate Health Sciences University, New York, and his fellowship in Physical Care Medicine and Nephrology at St. Vincent's Catholic Medical in New York. He practices kidney diseases and hypertension in Camp Hill, Pennsylvania. He is committed to providing best quality care to all his patients. Dr. Iyer encourages open communication between the patient and the provider. He not only treats but educates his patients about their condition and treatment process to help them make the right decisions regarding their health.
