Venkata Buddharaju M.D.

Board Certified Nephrologist

About Provider

Dr. Buddharaju is board-certified in Nephrology and Internal Medicine. He believes that to deliver the best care possible, patients must be informed of the most effective medical treatment options and alternative plans of care that are available. The most favorable health outcome can be achieved by providing patients with the complete picture of their disease and informing them of the skills or behaviors required to improve function and self-care.
