# Kunal Buch M.D.

Board Certified Nephrologist

## About Provider

Dr. Buch is board-certified in Internal Medicine and Nephrology. After the internal medicine residency at New York Presbyterian Hospital, Queens, NY, he worked as an academic hospitalist at Southeastern Regional Medical Center in North Carolina. He did a fellowship in nephrology at Emory University Hospital in Atlanta. Dr. Buch is very passionate about providing exceptional quality care to all his patients. His interests are in the management of chronic kidney disease, renal transplantation, and various forms of dialysis. His research work from the fellowship focused on access-related issues in hemodialysis patients. Dr. Buch looks forward to serving the nephrology needs of the community with his expertise and knowledge.
