Ebenezer A. Dawodu M.D.

Nephrologist

About **Provider**

Dr. Ebenezer Adebayo Dawodu has advanced training in nephrology and internal medicine. He completed his medical education at Ladoke Akintola University of Technology in Nigeria and finished his fellowship in nephrology at the University of Tennessee Health Science Center. He holds a Master of Public Health from Georgia State University, enhancing his expertise in patient care and preventive medicine.

Dr. Dawodu is committed to providing evidence-based, personalized care while ensuring patients are informed and supported throughout their treatment. His compassionate approach and broad medical knowledge make him an invaluable advocate for his patients' health.
