Molly Engelkes

AGPCNP-BC

Nurse Practitioner

About Provider

Molly Engelkes, AGPCNP-BC, is a board-certified Adult-Gerontology Primary Care Nurse Practitioner with the American Nurses Credentialing Center (ANCC). She has a strong background in chronic disease management and palliative care, providing compassionate, patient-centered care across the adult lifespan. Her diverse clinical experience includes in-home medical services, hospital settings, and correctional healthcare, enabling her to connect with patients at various stages of life and health. Molly is dedicated to promoting dignity, comfort, and quality of life for her patients, offering individualized care rooted in empathy and education. She believes in building trust through consistent, attentive, and holistic healthcare.
