Tauseef Sarguroh M.D.

Board Certified Nephrologist

About Provider

Dr. Sarguroh is board-certified in Nephrology and Internal Medicine. He believes in helping his patients make informed decisions by educating them about all aspects of their disease and treatment options. He also focuses on habits that encourage their healthiest lifestyle possible. He prides himself on delivering compassionate, collaborative care that involves the patient, primary care physician, and all members of the care team to achieve the best possible health outcomes. His practice is enhanced by his knowledge of conversational Spanish, which allows him to communicate with a diverse patient base. Dr. Sarguroh makes sure his patients know they are in capable hands and are well cared for.
