Dilraj S. Sekhon **D.O.**

Board Certified Nephrologist

About **Provider**

Dr. Dilraj S. Sekhon is a board-certified Nephrologist committed to providing comprehensive, patient-centered kidney care. Dr. Sekhon completed fellowships in Nephrology at the University of Cincinnati and Critical Care at Franciscan Health Olympia Fields, along with a residency in Internal Medicine at Larkin Community Hospital in South Miami. He believes effective treatment and better health outcomes come from a collaborative approach involving patients, primary care physicians, specialists, and the entire care team. He emphasizes open communication and patient education, empowering individuals to take an active role in managing their health.
